The logo for 'Breaking Bind' features the words 'Breaking' and 'Bind' in a bold, sans-serif font. The 'B' in 'Breaking' and the 'B' in 'Bind' are stylized to look like periodic table elements, with atomic numbers 75 and 83 respectively, and chemical symbols 'Br' and 'Bi'. The word 'eaking' is in a smaller font between the two 'B's, and 'nd' is in a smaller font after the second 'B'. The entire logo is set against a dark background with a subtle spider web pattern.
